GIORGETTI

Envisioned by Carlo Colombo, Anteo is a series of rectangular and square tables, each with a solid walnut Canaletto wood base frame and a top that's available in two types of marble and four kinds of crystal glass. Website: www.giorgetti-spa.it

CORNELIO CAPPELLINI

The agate finish top is obtained by fusing natural and synthetic materials while the murano glass columns that hold it up add a touch of opulence.

COLOMBOSTILE

By Elena Vigano, Fred is a wooden table with a burnished vavona briar surface atop a pedestal made using off-centre wooden discs. Sheathed in metal, it evokes a neo-futuristic
